STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

An interview with the Examiner was held on July 20, 2006.

As an initial matter, counsel would like to thank the Examiner for the courtesies extended at the interview.

At the interview, counsel explained why the positive resist composition of the present invention is patentable over the art, substantially in accordance with the explanations set forth in the Response Under 37 CFR 1.116 filed June 7, 2006 and the Request for Reconsideration filed July 7, 2006. The Examiner and counsel reviewed in detail the evidence of patentability set forth in the working Examples of the present application, which is discussed at pages 5-6 of the Response filed June 7, 2006. All of the pending claims were discussed, as was all of the art of record. While agreement was not reached during the course of the interview, it continues to be Applicant's belief that the resist composition of the present invention is patentable over the art
